Balloon Release Marks Elder Abuse Awareness

by Taylor Abbott
Staff Writer

Residents from around the county gathered in show of support for Elder Abuse Awareness Day on June 15.

On June 7, Monroe County Commissioners issued an Elder Abuse Awareness Proclamation declaring June 15 Elder Abuse Awareness Day.

The event, sponsored by the Area Agency on Aging 8 (AAA), began with a lunch and brief program at the Monroe County Senior Center. Event attendees wore purple as a sign of support.

A balloon lift-off in the senior center parking lot closed the event. The lift-off was used

to draw attention to the serious issue of elder abuse.

Elder abuse, neglect and financial exploitation of the elderly are growing problems. A U.S. Administration on Aging study found that 1.5 million people over the age of 60 are abused or neglected each year.

Abuse of the elderly take many forms. Some involve intimidation or threats against them. Other cases have involved neglect and financial exploitation.

The first Elder Abuse Awareness Day was held in 2006. To learn more information, visit www.areaagency8.org or call 1-800-331-2644.
